GOVERNOR

## OFFICE OF THE GOVERNOR

PATTY JUDGE  
LT. GOVERNOR

April 29, 2010

The Honorable Michael Mauro  
Secretary of State  
State Capitol Building  
LOCAL

Dear Mr. Secretary:

I hereby transmit Senate File 2367, an Act relating to and making appropriations to certain state departments, agencies, funds, and certain other entities, providing for regulatory authority, and other properly related matters, and including effective date and retroactive applicability provisions. Senate File 2367 is approved on this date, with the exception noted below, which I hereby disapprove.

I am unable to approve the item designated in Section 13, subsection 4, paragraph b of the bill in its entirety. This paragraph directs the Department of Inspections and Appeals to provide information to the public relating to inspections, operating costs, and FTE positions. I strongly encourage the Department to continue its efforts to provide greater transparency, however I disapprove this language because some of this data is already being collected and controlled by the federal government. Because the Department has already made much of this information, especially regarding inspections, part of the public record, the added expense that would be required to assemble and maintain the information to meet the legislative requirement is fiscally burdensome.

For the above reasons, I respectfully disapprove the designated item in accordance with Article III, Section 16 of the Constitution of the State of Iowa. All other items in Senate File 2367 are hereby approved this date.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Culver".

Chester J. Culver
